WE started the class with opening prayers. We were meeting after a long time and the children and we were very happy to meet. We spoke of the importance of 13th November, did Vimarsha on the importance of a Guru in our lives, children were told how lucky we all are to have a living Guru in their lives whom they can interact with. We discussed what would be a good 'gift' for Pujya Swamiji and the children decided that prayers would be a good gift.... this was unprompted! so all decided to say a special prayer for Swamiji, for his good health and long life. We all also decided that the best thing we can give Swamiji is for us to advance in our sadhana... so all decided that they would make an earnest effort to do this, through prayers and actions.

We then recited the 'Guru Bhakti stotra, (with explanation). We then decorated the Lalita devi picture for the Shankaracharya project.

We ended with the closing prayers.
