On 13th November older children performed Guru pujana. This was followed by the Krutadnyata divas talent show put up by the children to express their gratitude towards their grand parents and elderly members of the Sabha. Senior citizens of the Sabha also participated in the talent show. Children honoured them with gifts. This was followed by Anand mela where children had put up games and food stalls along with other Sabha members.

Rehearsals are in full swing for the 4th December programme.
