JAI GURUDEV

REPORT OF DADAR SABHA PROGRAMME ON 13TH NOV. 2011

The children were very excited about performing GuruPujan and that too on such an auspicious day. Since the Geeta recitation competition at Talmakiwadi was to be held on the same day in the afternoon and most of our children were participating, it was decided that the Pujan would be done in the morning. The yuvas too showed an interest to participate and so a combined programme was organised at 10.00 am in the Mitra Mandal Hall, Karnatak Colony.

There were 6 yuvas and 5 children who performed the Pujan. While Samvit & Shraddha Tagarsse, Stuti Nadkarni, Divya Pawar and Anusha Karmarkar did the Pujan, Shambhavi Balvalli actively helped them. All the children performed the Pujan with so much devotion and sincerity that it was a very touching experience. Afterwards, there was cake cutting by the kids to the rendering of Guru Paduka Stotram and Shri Parijnanashrama Trayodashi. The programme ended with prasad and cake vitarana.

Regards,
Rekha.
