Sabha commencing prayers

We told them the children about the significance of November 13th and asked them all to light a diya each in front of Poojya Swamiji's photograph, pray and seek Swamiji's blessings, on the 13th.

We practised the chanting of the Gurubhakti then moved on to the activity of colouring and decorating the potrait of Shri Lalita Devi. The children all took turns in doing this activity while we continured to play the stotra in the background. It was indeed heartening to see how wonderfully our children have shaped up with the Grur's Grace. These children who used to be boisterous and naughty a year ago,now are able to do an acivity like this togehter as a team. It was really nice watching them work. As so very often in our classes, we felt the Guru's presence.

Saba concluding prayers.
